I GENERAL INFORMATION

1 § The name of the association is Aalto Formula Team ry, referred to later as AFT. The place of residence of the association is Espoo and official language is Finnish. The name of the association is the same also in both English and Swedish. The official abbreviation of the association is AFT. AFT operates within the Aalto University Student Union (AYY).

2 § The purpose of the association is to bring Aalto University students together to produce a Formula Student class car and promote the recognition of the competitions in both Finland and Aalto University. Additionally the association supports the interests of its members pertaining to the activities of the association and developing in them.

3 § To execute its purpose, the association will design and build its own race car to take part in various competitions and events. In addition the association can organise social events, excursions, collect and relay information related to its activities, and cooperate with businesses, the university, and other associations.

II MEMBERSHIP AND FEES

4 § To gain membership, one must notify the board of the association, which approves memberships. A member of the Aalto University Student Union can be approved as a regular member. A graduate of Aalto University or its predecessors can be approved for alumni membership, others interested in the activities of the association can be approved for external membership, and a person or legally competent collective supporting

the association can be approved for supporting membership. Only regular members have the right to vote at the meetings of the association.

5 § Membership fees can be collected once a year. The fees can be of different amounts for different membership groups. The board can declare a member as resigned if they have failed to pay the membership fees for over half a year.

6 § The board can remove a member who does not fulfill the terms of membership or has induced damages to the association or its members. The one to be removed has the right to be heard before a decision is made.

III MEETINGS

7 § The meetings of the association are convened at the proposal of the board at least one week in advance by publishing on the email list of the association.

8 § Remote attendance to the meetings of the association is possible on the discretion of the board.

9 § The spring meeting, held in February, March, or May, will ratify the annual report and the financial statement of the previous year and decide on granting exemption from liability to those who were in charge of the administration of the association for the previous year.

10 § The fall meeting, held in November of December, will choose a chairman, the rest of the board, and auditors for the next calendar year. It will also ratify the strategy and budget for the next year and decide on the amount of the membership fee and its due date.

11 § A meeting is competent when it has been convened according to these rules.

IV ADMINISTRATION AND FINANCE
